

I am writing in support of K-Love 91.5fm in Bangor, Maine. I am a monthly supporter of K-Love and appreciate the music, news, and stories on K-Love as part of a commercial free station. Our community would be at a disadvantage if K-Love is displaced by an LPFM broadcaster. KLove provides positive and encouraging music...free from vulgarity as well as supporting wholesome values that have a positive and encouraging effect on my community. Please do not force K-Love off the air. Please preserve this service that I value so much in the Bangor community. Thank you.
